## 2<sup>ND</sup> MINSIG CONGRESS

# “DEVELOPMENTS IN INFUSION MANAGEMENT”

PRE CONGRESS WORKSHOP:  
17 AUGUST 2017

CONGRESS:  
18 – 19 AUGUST 2017

VENUE:  
BERJAYA TIMES SQUARE HOTEL,  
KUALA LUMPUR

**MINSIG**  
Malaysian Infusion Nurses  
Special Interest Group

## MESSAGE FROM ORGANISING COMMITTEE

The Malaysian Infusion Nurses Special Interest Group (MINSIG) would like to invite all our colleagues who are involved directly or indirectly in infusion management to our second congress. Much has happened since our last congress in 2015 and there are many areas that we need to re-look to further improve clinical outcomes. The main focus of the congress is to share and learn from experts on recent developments in infusion management. We welcome oral and poster presentations on the three main areas of this congress:

- Loopholes in Clinical Practice: Challenges Faced
- Infusion Devices: Benefits and Pitfalls
- Applying Clinical Research to Enhance Clinical Practice

## KEY PRESENTERS

**Professor Dr Samantha Keogh:** Principal Director, Alliance for Vascular Access Teaching and Research (AVATAR) & President of Australian Vascular Access Society (AVAS).

**Dr Goh Pik Pin:** Director, Clinical Research Centre, Ministry of Health Malaysia.

**Colonel Bina Sharma:** President, Infusion Nurses Society (INS) India

**Assistant Professor Dr Koichi Yabunaka:** Department of Gerontological Nursing/ Wound Care Management, Graduate School of Medicine, University of Tokyo.

**Dr Ajay Giri Kottapalli:** Research Scientist, Singapore MIT Alliance for Research and Technology (SMART).

**Dr. Jayant R Giri:** Governing Council Member, Infusion Nurses Society (INS) India.

**Dr Shanthi Ratnam:** Consultant Physician & Intensivist, Sungai Buloh Hospital

**Assistant Professor Dr. Mohd Said Nurumal:** Dean, Nursing Department, International Islamic University Malaysia (IIUM).

**Assistant Professor Dr Azlina Daud:** Nursing Department, International Islamic University Malaysia.

**Ms Vasuki Rajoo:** Clinical Nursing Educator, Tung Shin Hospital.

**Ms. Sandra So:** Clinical Professional, 3M Malaysia

## CONGRESS TOPICS COVERED

- Developments in Infusion Management: Past, Present and Future.
- Gap in Recommended and Actual Practices in Infusion Management and Care in the Emergency Department.
- Catheter Related Infections: Recent Advances and Obstacles to Patient Outcomes.
- Challenges towards Standardised Infusion Therapy Practices.
- Replacement of Administration Set for Arterial Catheter 4 Days versus 7 Days – Randomised Clinical Trial
- Sensors to Monitor Intravenous Drips
- Intravenous Nurse Teams in Improving Patient Outcomes
- Role of Clinical Research Centre in Implementing Evidence-Based Clinical Practice in Malaysia.
- Robust Clinical Research Findings for Development of Clinical Standards.
- Closed IV Catheter System
- Impact of Disinfecting Port Protectors for Reducing Intraluminal Catheter-Related Infection

### PRE-CONGRESS WORKSHOP

(17 AUGUST 2017: 1PM -5PM)

- Workshop 1: Critical Tube Securement
- Workshop 2: Principles and Methods of Testing Infusion Devices

## CALL FOR ORAL AND POSTER PRESENTATIONS

Invitation is open for presentation of papers and posters related to the congress theme “**Developments in Infusion Management**”.
