

“22nd National Perioperative Nursing Seminar 2017”

Malaysian Nurses Association

Perioperative Special Interest Group

29th – 30th July 2017

Theme: Forward Thinking for Perioperative Nurses

Venue: Sheraton Imperial Kuala Lumpur,
Jalan Sultan Ismail 50250 Kuala Lumpur

Overview

The 22th Perioperative Nursing Seminar will permit sharing knowledge in Forward Thinking for Perioperative Nursing

The seminar will also allow networking among perioperative nurses in Malaysia as well as among MNA members.

This seminar will feature a series of talk by speakers including renowned speakers in relation to Perioperative Nursing.

The main objectives of the seminar are:

1. Achieve forward thinking by interchange of knowledge and ideas among perioperative nurses.
2. Enhance confidence to apply updated knowledge on new technologies to everyday perioperative nursing practice.
3. Develop networking among perioperative nurses in Malaysia.
4. Create awareness among perioperative nurses on professional development activities organized by the perioperative special interest group Malaysia nurses association.

WE LOOK FORWARD HEARING FROM YOU SOON
